Tax Time

All families will find their 2021 childcare statements online at www.myprocare.com Our tax ID number will show up on the right-hand corner of the statement when you download it. Make sure to select the dates you want or it will pull 2022 instead of 2021.

How is my child doing? What can I work on at home?

We have had parents ask from time-to-time what tools do we use to make sure their child is on track. While we use the creative curriculum, we also follow the ASQ (Ages and Stages) for each age group.

A tool that we use frequently is called Ages and Stages Questionnaires.

[3-year-ASQ-ENGLISH.pdf \(bestkc.com\)](#)

*(The link says 3-year old's however when you click on the link, **you can select any age you want.** You should see a white box on the left-hand side of the screen that lets you easily select your child's age. If you do not see it, click the contents tab on the left-hand side of the screen at the top)*

This is a really great tool for if you are looking for things to do with your child at home. It covers a variety of topics such as: Communication, Gross Motor, Fine Motor, Problem Solving and Personal/Social. We use this in addition to our Crayons 2 Pencils Assessment.

Spring Picture Day

Will be done in two days so we can have time to get everyone done before lunch. You do not need to fill out anything ahead of time. You will get a link after picture day to log in and look at.

Bad Weather

In the event of bad weather, we still plan to stay open for our families. As children start leaving, we will combine classrooms. This will allow our staff who live the furthest away to be able to get home safely. Your child may have a different teacher or be in a different room during this time.

Worst Case we would do a delayed start of 9:00 AM if travel was not advised due to an ice storm or blizzard. This has happened once I think in all of our time here at C2P .

Arrival Time

Please make sure your child is at school by **9:00 AM each day** unless they have a doctor's appointment or a bad snow/ice storm.

Please do not have your child bring breakfast food or treats in their backpack at drop off in the mornings.

If it is for a special occasion like a birthday or holiday party that is just fine, just let the teachers know. *Their friends get really upset if they don't get something their friend has.* Also, we do have children with allergies so we want to know all foods coming into the building.

Change of Clothes

Please check your child's backpack to make sure they still have a change of clothes in their bag. This includes a change of socks, underwear and pants and a shirt. Also, a reminder that outside can change from hot to cold very quickly. Reminder to always pack a coat and shoes for your child because we do go outside almost every day!
