

Meet Mrs. Annie

Hi everyone! I'm Annie Williamson, and I'll be in the kitchen every day at Crayons 2 Pencils Early Learning Center. I'm excited to see smiling faces and hungry kiddos!

My husband Jason and I are the parents of four children: Aubrey, Carter, Olivia and Hayley, who are in 9th, 8th, 7th, and 6th grades. Our current family pets include a turtle and some fish, who we have in a big tank in our kitchen. In addition to my work at the center, I'm a college English teacher and work with students and courses online, and I'm also an editor. In any free time I can find, I enjoy reading, cooking & baking, walking, fishing, crafts, sewing, and watching movies and cooking shows. I also spend a lot of time on the soccer sidelines and basketball/football bleachers for all my children's games, and in auditorium seats for music concerts of all kinds (we have 3 singers and 4 band members - even a tuba player in the bunch!)

I'm very happy to be working with Jill, Cindy, and all the teachers and staff, to provide tasty and nutritious food for our center. I'm looking forward to meeting all of you and your children.
