

Meet Mrs. Sarah

Hi, my name is Sarah and I will be your child's assistant teacher in the Yellow Learning Room. I grew up in Norwalk and choose to live here and raise my family here. I have four children with my husband, Charles. They are Colton who is 14 and in ninth grade, Maria who is 13 and in eighth grade, Caleb who is 11 and in sixth grade, and Christian is 7 and in first grade.

When my youngest was born I gave up my desk job and became a stay at home mom. I ran my own daycare out of my home for several years after this. Most recently I have worked at the schools in the Nutrition Department. I love working with kids every day.

I enjoy watching sports and any of the activities that my kiddos and nieces/nephews are playing in. Football is our favorite sport to watch; especially the Hawks and NFL Colts.

I am looking forward to working with you and your kiddo. Thank you for sharing them with us
