Friday September 10th

Parents will be able to vote for their favorite team in main entry way – Kids will vote during our pep rally assembly

Friday September 17th

Wear Norwalk Attire For Norwalk Homecoming

The office communicates with parents via our Remind Message System. This allows us to text you individually or the whole class at one time. We set out a link via text the first day of school. If you did not get that message, please email us and let us know. Each parent needs to be in this message system. You will let us know if your child will be gone for the day via this app as well. When you message, it goes straight to Jill & Cindy. Feel free to stop in the office if you have questions.

- It should go through your phone as a text message. If it is not, stop in the office and Jill can fix it for you as it is just a setting.

What you should be seeing on Facebook

- Weekly Academic Goals
- Pictures of your child learning
- Notes to the class from your child's teacher
- Older rooms may ask for family engagement by having a fun homework challenge

(Examples: How many doors do you have in your house for your child to count, or have your child share a picture of a pet...)

We take pictures all day long so that mom and dad do not miss out on your child's adventures during the day. Teachers love it when parents leave messages or like the photos. ❤️❤️
