Theme: Gift Book

This week we are going to make a gift book to give to someone or to keep as a keepsake. We will be putting a variety of special items in our book including pictures of your child, handprints and even their footprints. The children will help create the book from start to finish.

Week # 15 **December 13th -17th**

Theme: Reindeer food and Santa Clause

This week we will be making reindeer food to sprinkle in the yard for Santa's Reindeers on Christmas eve. We will talk about Santa and what his job is. We will talk about how he flies in the sky to bring us presents. We are going to track him on the computer. I have introduced the computer to the kids when we are looking up what different things look like or sound like depending on our theme. They all really enjoy it.

Have a great News Years and I will see you next year

I have a fun website you little one will love. It is called www.northpole.com. You child can view Santa's workshop, write letters to Santa and Santa will write back and even check on the reindeer.
